

ARBELL provides an “on demand” telephone interpreting service in all the languages listed below. Please dial Arbell on 01256 486510 or the unique access number provided by ARBELL and follow the prompts, inputting your Account Number (143099) and choosing the language code from the list below. If you need to speak with an Operator please follow the prompts. An Operator can assist you with language identification, scheduling of an interpreter, the capture of a reference number or creating a conference call with up to 6 parties
